COMMUNITY FORESTS

Community Forests are created for everyone in the community to enjoy with the lasting reminder of special occasions such as birthdays, anniversaries, or weddings, as well as living memorials to family and friends of the deceased.

An \$80.00 donation to the Authority covers the cost of purchasing, planting, and maintaining the tree.

With donations of less than \$80.00 additional trees are purchased for the Community Forest.

Donations may be made throughout the year. All memorial trees are planted in the spring.

A map will be sent to both the donor (and the person being honoured or family if requested) illustrating the location of the tree.

Commemorative gifts and land donations are always graciously received.

An official tax receipt will be issued for minimum donations of \$10.00.

DONATION CARD
