

Catfish Creek Conservation Authority

8079 Springwater Road, RR#5
Aylmer, ON N5H 2R4
(519) 773-9037

COMMUNITY FOREST PROGRAM

Community Forests are created for everyone in the community to enjoy with the lasting reminder of special occasions such as birthdays, anniversaries, or weddings, as well as living memorials to family and friends of the deceased.

An \$80.00 donation to the Authority covers the cost of purchasing, planting, and maintaining the tree.

With donations of less than \$80.00 additional trees are purchased for the Community Forest.

Donations may be made throughout the year. An official tax receipt will be issued for minimum donations of \$20.00. All memorial trees are planted in the spring.

A map will be sent to both the donor (and the person being honoured or family if requested) illustrating the location of the tree.
