CAMPGROUND ENTRANCE

The main campground entrance reopens May 1st and remains open during daylight hours until opening day.

- Gates are in use when the Gatehouse/Store is open
- Driving around the barriers is against operational procedures and will be strictly enforced.

SEWAGE PUMPING SERVICE

Weekly sewage pumping service will begin May 18th
Bi-Weekly service will begin May 25th.

Generally sewage pumping service will be operating on Thursdays, however some weeks it will be on a Wednesday. Notices will be posted when applicable
